Volume 12, no. 6, e02749-21, 2021, <https://doi.org/10.1128/mBio.02749-21>. On page 1, Adrian Creanga, Amarendra Pegu, and Alexandrine Derrien-Colemy were inadvertently removed from the author list. The byline should appear as shown above. The copyright line has also been changed to a U.S. Government license, to reflect that the newly added authors work at the National Institutes of Health.

This is a work of the U.S. Government and is not subject to copyright protection in the United States. Foreign copyrights may apply.
