## A Corrigendum on

**Delphi: A Democratic and Cost-Effective Method of Consensus Generation in Transplantation** by Afrouzian M, Kozakowski N, Liapis H, Broecker V, Truong L, Avila-Casado C, Regele H, Seshan S, Ambruzs JM, Farris AB, Buob D, Chander PN, Cheraghvandi L, Clahsen-van Groningen MC, de Almeida Araujo S, Ertoy Baydar D, Formby M, Galesic Ljubanovic D, Herrera Hernandez L, Honsova E, Mohamed N, Ozluk Y, Rabant M, Royal V, Stevenson HL, Toniolo MF and Taheri D (2023). *Transpl Int.* 36:11589. doi: 10.3389/ti.2023.11589

In the published article, there was an error with affiliations 3 and 4. Instead of “<sup>3</sup>Department of Pathology and Immunology, School of Medicine, Washington University in St. Louis, St. Louis, MO, United States”, and “<sup>4</sup>Geo-Bio Center, Ludwig Maximilian University of Munich, Munich, Germany”, it should be “<sup>3</sup>Nephrology Center, Ludwig Maximilian University of Munich, Munich, Germany”. The remaining affiliations have been renumbered.

There was an error in affiliation 4. Instead of “<sup>4</sup>Department of Clinical Microbiology, Sahlgrenska University Hospital, Gothenburg, Sweden” it should be “<sup>4</sup>Department of Pathology, Sahlgrenska University Hospital, Gothenburg, Sweden”.

There was an error in affiliation 5. Instead of “<sup>5</sup>Department of Pathology and Genomic Medicine, Houston Methodist Hospital, Houston, TX, United States” it should be “<sup>5</sup>Department of Pathology and Genomic Medicine, The Houston Methodist Hospital, Houston, TX, United States”.

There was an error in affiliation 6. Instead of “<sup>6</sup>Krembil Brain Institute, University Health Network (UHN), Toronto, ON, Canada” it should be “<sup>6</sup>Laboratory Medicine Program, Toronto General Hospital, University Health Network (UHN), Toronto, ON, Canada”.

There was an error in affiliation 13. Instead of “<sup>13</sup>Department of Pathology and Clinical Bioinformatics, Erasmus MC Transplant Institute, University Medical Center Rotterdam, Rotterdam, Netherlands” it should be “<sup>13</sup>Department of Pathology and Clinical Bioinformatics, Erasmus University Center Rotterdam, Rotterdam, Netherlands”.

There was an error in affiliation 16. Instead of “<sup>16</sup>Department of Neurology, School of Medicine, Koç University, Istanbul, Türkiye” it should be “<sup>16</sup>Department of Pathology, Koç University School of Medicine, Istanbul, Türkiye”.

There was an error in affiliation 18. Instead of “<sup>18</sup>School of Medicine and Public Health, University of Newcastle, Callaghan, NSW, Australia” it should be “School of Medicine and Public Health, College of Health, Medicine and Wellbeing, The University of Newcastle, Callaghan, NSW, Australia”.

There was an error regarding the affiliation for Diana Taheri. As well as having affiliation “<sup>27</sup>Department of Pathology, Isfahan

Kidney Diseases Research Center, Isfahan University of Medical Sciences, Isfahan, Iran”, they should also have “<sup>28</sup>Urology Research Center, Sina Hospital, Tehran University of Medical Sciences, Tehran, Iran”.

There was an error in the **Acknowledgments** segment of the article, which originally read “The authors would like to acknowledge the support of Dr. Reza Alaghebandan for statistical analysis of R5 data, Dr. Michael Mengel for helpful discussions and suggestions, and Dr. Jan Ulrich Becker for useful discussions in the initial steps of the project.”

As the corresponding author had not obtained a written approval from Dr. Jan Ulrich Becker for this acknowledgment, at his request, his name is being removed from the **Acknowledgments** section.

The updated **Acknowledgments** section reads “The authors would like to acknowledge the support of Dr. Reza Alaghebandan for statistical analysis of R5 data, and Dr. Michael Mengel for helpful discussions and suggestions.”

The authors apologize for all the above-mentioned errors and state that these errors and corrections do not change the scientific conclusions of the article in any way. The original article has been updated.
