A Corrigendum on

Thrombotic Microangiopathy in the Renal Allograft: Results of the TMA Banff Working Group Consensus on Pathologic Diagnostic Criteria

by Afrouzian M, Kozakowski N, Liapis H, Broecker V, Truong L, Avila-Casado C, Regele H, Seshan S, Ambruzs JM, Farris AB, Buob D, Chander PN, Cheraghvandi L, Clahsen-van Groningen MC, de Almeida Araujo S, Ertoy Baydar D, Formby M, Galesic Ljubanovic D, Herrera Hernandez L, Honsova E, Mohamed N, Ozluk Y, Rabant M, Royal V, Stevenson HL, Toniolo MF and Taheri D (2023). *Transpl Int*. 36:11590. doi: 10.3389/ti.2023.11590

In the published article, there was an error with affiliations 3 and 4. Instead of “³Department of Pathology and Immunology, School of Medicine, Washington University in St. Louis, St. Louis, MO, United States”, and “⁴Geo-Bio Center, Ludwig Maximilian University of Munich, Munich, Germany”, it should be “³Nephrology Center, Ludwig Maximilian University of Munich, Munich, Germany”. The remaining affiliations have been renumbered.

There was an error in affiliation 4. Instead of “⁴Department of Clinical Pathology, Sahlgrenska University Hospital, Gothenburg, Sweden” it should be “⁴Department of Pathology, Sahlgrenska University Hospital, Gothenburg, Sweden”.

There was an error in affiliation 5. Instead of “⁵Department of Pathology, Houston Methodist Hospital, Houston, TX, United States” it should be “⁵Department of Pathology and Genomic Medicine, The Houston Methodist Hospital, Houston, TX, United States”.

There was an error in affiliation 6. Instead of “⁶Laboratory Medicine Program, University Health Network (UHN), Toronto, ON, Canada” it should be “⁶Laboratory Medicine Program, Toronto General Hospital, University Health Network (UHN), Toronto, ON, Canada”.

There was an error in affiliation 13. Instead of “¹³Department of Pathology and Clinical Bioinformatics, Erasmus MC Transplant Institute, University Medical Center Rotterdam, Rotterdam, Netherlands” it should be “¹³Department of Pathology and Clinical Bioinformatics, Erasmus University Center Rotterdam, Rotterdam, Netherlands”.

There was an error in affiliation 16. Instead of “¹⁶Department of Pathology, School of Medicine, Koç University, Istanbul, Türkiye” it should be “¹⁶Department of Pathology, Koç University School of Medicine, Istanbul, Türkiye”.

There was an error in affiliation 18. Instead of “¹⁸School of Medicine and Public Health, University of Newcastle, Callaghan, NSW, Australia” it should be “¹⁸School of Medicine and Public Health, College of Health, Medicine and Wellbeing, The University of Newcastle, Callaghan, NSW, Australia”.

There was an error in affiliation 15. Instead of “¹⁵Departamento de Parasitologia, Instituto de Ciências Biológicas, Universidade Federal de Minas Gerais” it should be “¹⁵Departamento de Patologia Geral, Instituto de Ciências Biológicas, Universidade Federal de Minas Gerais, Belo Horizonte, Brazil”.

There was an error regarding the affiliation for Diana Taheri. As well as having affiliation “²⁷Department of Pathology, Isfahan Kidney Diseases Research Center, Isfahan University of Medical Sciences, Isfahan, Iran”, they should also have “²⁸Urology Research Center, Sina Hospital, Tehran University of Medical Sciences, Tehran, Iran”.

There was an error in the **Acknowledgments** segment of the article, which originally read “The authors would like to acknowledge the support of Dr. Reza Alaghebandan for statistical analysis of R5 data, Dr. Michael Mengel for helpful discussions and suggestions, and Dr. Jan Ulrich Becker for useful discussions in the initial steps of the project.”

As the corresponding author had not obtained a written approval from Dr. Jan Ulrich Becker for this acknowledgment, at his request, his name is being removed from the **Acknowledgments** section.

The updated **Acknowledgments** section reads “The authors would like to acknowledge the support of Dr. Reza Alaghebandan for statistical analysis of R5 data, and Dr. Michael Mengel for helpful discussions and suggestions.”

The authors apologize for all the above-mentioned errors and state that these errors and corrections do not change the scientific conclusions of the article in any way. The original article has been updated.
